SQS Deep Dive Discovery™

In this exploratory phase we get an understanding of what your current situation is and where you want to take your business. The SQS Deep Dive Discovery™ gives us a portrait of your current state and allows our team to detect your core strengths and opportunities.

SQS Pillars for Success™ Analysis

In this diagnostic phase we analyze your business to unveil the SQS Pillars for Success™. At the end of this phase you will receive a tailored report of our analysis including our recommendations and our proposal.

SQS Strategy & ROI Roadmap™

Our roadmap will show you how to reach your goals. We also provide a return-on-investment analysis that quantifies the cost of remaining at the status quo versus implementing our recommendations.

SQS Optimum™

To ensure the integrated tools and technology yield expected outcomes we measure results against quantifiable KPI. Our SQS Optimum™ acts as a catalyst to your organizational effectiveness.

SQS Continuum™

We track your progress and modify the action plan to stay the course. Improvements, adjustments, and corrective measures ensure you remain on track to achieve your business goals and ROI.

SQS Mobilizer™

Altimum's ongoing services empower clients and foster a positive and healthy work environment. Our support system ensures our clients maintain the momentum needed to achieve their goals.
